ABOUT OTO-RHINO 2027

Dear Esteemed Guests and Colleagues,

Welcome to the 5th World Congress on Otology, Rhinology & Laryngology – Oto-Rhino 2027!

We are delighted to invite you to join us on March 15-16, 2027, in the vibrant city of London, UK, for an inspiring and impactful gathering of global experts, researchers, clinicians, and innovators in the field of ENT. Centered around the theme, “Enhancing Patient Outcomes through ENT Research and Innovation,” this prestigious congress aims to foster collaboration, share groundbreaking research, and explore the latest advancements shaping the future of otology, rhinology, and laryngology.

Building on the remarkable success of our previous editions and the excellent feedback received from participants worldwide, Oto-Rhino 2027 promises an even more enriching experience. Attendees can look forward to insightful keynote sessions, interactive workshops, cutting-edge presentations, and valuable networking opportunities with leading professionals and organizations.

Join us as we continue this journey of excellence, innovation, and knowledge exchange, working together to improve patient care and outcomes across the globe. We look forward to welcoming you to an unforgettable scientific and professional experience in London!

Warmest regards,
Organizing Committee
Oto-Rhino 2026

About SCHOLARS CONFERENCES

"Enhancing Patient Outcomes through ENT Research and Innovation"

Who We Are

Scholars Conferences is a global leader in producing high quality Conferences, Meetings, Workshops, Symposia and, Webinars in all major fields of Pharma, Healthcare, Science, Technology and Medicine.

Scholars Conferences endeavors to disseminate the scientific knowledge and research through its Scientific Conferences and Meetings. Scholars Conferences is currently organizing International Conferences, Meetings, Workshops, Symposia and, Webinars with a main theme of "Accelerating the Cutting-Edge Scientific Research into Success by Bringing People Together".

WHY CHOOSE US?

Why does a Scholars Conferences stand out from other scientific meetings? Our meetings attract an exclusive number of audience who have a narrow concentration within a specialized field. We create a platform for informal, workshop style forums delivering a more intense scientific experience unlike other larger style conferences.

OUR AIM

We focus on bringing a much-needed level of efficiency and quality standards in the way we service our clients, thus building lasting partnerships-based quality, innovation, and commitment to abide by our deeply rooted core values.

OUR VISION

We are a truly professional group of individuals, striving hard to maintain and improve the quality of execution of our services. Our people constituting our team are our key assets.

OUR MISSION

Scholars Conferences strives to become internationally renowned for providing meetings of outstanding scientific quality, bringing together smaller interest groups to create informal and workshop style interactions, bridging a gap in the scientific conference community.

TESTIMONIALS

Hello, I'm Dr.Batuham Dagli from Turkey, It has been a wonderful congress with our colleagues to share our experiences regarding microfascial surgery, and I thank the scholars' conferences for their hospitality and overall this was a very fruitful congress for us and I thank each and every one of them for their good behaviors.

BATUHAN DAGLI

I'm Doctor Ibrahim Kutaihazar from Gulha Research and Training Hospital, Ankara. I present my two, presentation and all the audience, I, I want to thank all of them and their attention.
I spent so many good times with my ENT colleagues as a plastic surgeon. It was one of the perfect conferences that I have ever been.

IBRAHIM KUTAY HAZAR

Hello, my name is Miguel Mercado and I represented the University of Los Angeles of Peru.
I am, very complicit because, we shared these two days of experience, very interesting or specialty, and we want to be in another conference!thank you so much.

MIGUEL MERCADO

Hello, my name is Corinteo and I'm at, EONTE from Peru and I'm so excited and so grateful with this amazing event. I invite my old colleagues that are all around the world to participate in this conference, the next year in London. It's also, shared experience, lectures and everything here.thank you.

CORINANEL TELLO CASANA

II'm Doctor Somaiah Altawalbe. came here to Barcelona for the ENT congress, which was organized by scholar conferences. I would like to thank the scholar conferences for this nice meeting and gathering all the ENT doctors from all the world in this beautiful and nice country, Barcelona. We are enjoying our lectures and everything here was perfect, and thank you very much for this gathering.

SOMAIA ALTAWALBE

"Oto-Rhino 2026 was my second time attending after 2025 in Austria. The event showed clear improvement in organization and research quality. It's a great platform for ENT professionals to learn from leading experts. I gained valuable insights and wish Oto-Rhino continued success."

KHALED MOHAMED BOFARES

that was very interesting, and, and I wished to be the moderator for the first day, and I thank Scholar Conference for this opportunity and I recommend for the next session to all ENTs to participate and join this conference for the upcoming conference in the UK. Thank you so much
