ABOUT CONFERENCE

THEME: FUTURE DIRECTIONS: PIONEERING MENTAL HEALTH AND WELL-BEING INITIATIVES

It is with great pleasure that we welcome you to the dynamic and captivating city of Bangkok for this year's Asia-Pacific Mental Health and Well-being Congress (APMH 2026). We are delighted to host you in Thailand's vibrant capital—where rich cultural heritage meets modern innovation and world-class hospitality.

This year's Congress brings together thought leaders, practitioners, researchers, and advocates from across the Asia-Pacific region and beyond to explore the latest advancements, challenges, and opportunities in mental health and well-being. Together, we will share knowledge, exchange ideas, and build collaborations that strengthen the global mental health community.

APMH 2026 is a celebration of diversity, innovation, and progress—a gathering where science meets compassion and where collective wisdom inspires meaningful change. As we engage in dialogue and discovery, we continue our shared mission to promote mental health awareness, equity, and resilience worldwide.

From breakthroughs in mental health research and therapeutic innovation to policy frameworks promoting psychological well-being and inclusive care, the Mental Health and Well-Being Congress provides a comprehensive platform to reshape the global landscape of mental health across all communities and life stages.

We look forward to welcoming you to Bangkok, where science meets culture, and where together we will envision a more compassionate, resilient, and mentally healthy world.
