ABOUT ADVANCED NURSING 2025

“Nursing Leadership in Action: Challenges, Solutions, and Opportunities”

Welcome to the Advanced Nursing 2025!

Welcome to the **Asia-Pacific Advanced Nursing and Leadership Summit!**

We are excited to have you join us for this groundbreaking event, where we will explore the theme "***Nursing Leadership in Action: Challenges, Solutions, and Opportunities***". This summit promises to be an inspiring healthcare

and transformative experience, bringing together professionals, leaders, and innovators from across the globe. From **September 15-17, 2025**, in the vibrant city of **Singapore**, we will dive into the pressing issues and emerging opportunities in advanced nursing and leadership. Together, we will collaborate, share insights, and create actionable solutions to enhance nursing practices and leadership in today's dynamic healthcare landscape. Get ready for engaging discussions, expert-led sessions, and unparalleled networking opportunities. We look forward to seeing you in Singapore for an event that will empower and inspire the nursing leaders of tomorrow. Let's make a difference in nursing leadership—together! Warm regards, Conference Manager Advanced Nursing 2025 Scholars Conferences

About SCHOLARS CONFERENCES

"Accelerating the Cutting-Edge Scientific Research into Success by Bringing People Together"

Who We Are

Scholars Conferences is a global leader in producing high quality Conferences, Meetings, Workshops, Symposia and, Webinars in all major fields of Pharma, Healthcare, Science, Technology and Medicine.

Scholars Conferences endeavors to disseminate the scientific knowledge and research through its Scientific Conferences and Meetings. Scholars Conferences is currently organizing International Conferences, Meetings, Workshops, Symposia and, Webinars with a main theme of "Accelerating the Cutting-Edge Scientific Research into Success by Bringing People Together".

WHY CHOOSE US?

Why does a Scholars Conferences stand out from other scientific meetings? Our meetings attract an exclusive number of audience who have a narrow concentration within a specialized field. We create a platform for informal, workshop style forums delivering a more intense scientific experience unlike other larger style conferences.

OUR AIM

We focus on bringing a much-needed level of efficiency and quality standards in the way we service our clients, thus building lasting partnerships-based quality, innovation, and commitment to abide by our deeply rooted core values.

OUR VISION

We are a truly professional group of individuals, striving hard to maintain and improve the quality of execution of our services. Our people constituting our team are our key assets.

OUR MISSION

Lambda Research Group strives to become internationally renowned for providing meetings of outstanding scientific quality, bringing together smaller interest groups to create informal and workshop style interactions, bridging a gap in the scientific conference community.

UNIQUE FEATURES SCHOLARS CONFERENCES

“DISCOVER THE POWER OF NETWORKING”

Pursue Innovations

We work on pursuing the spread of new knowledge to the students researchers, Scientists, academicians, research laboratories by sharing a common platform. This will facilitate the technological advancements that transform the globe.

01

Real Networking

Focus on professional aspect of networking which will further boosts the professional confidence, leads to the exchange of ideas, helps you meet people at all professional levels, exchange of ideas. This will nurture and create more visibility for different fields of budding researchers in their career path.

02

Explore the Knowledge

Present, share and explore the knowledge and/or completely different areas of study. We provide ways to discuss with the new faces one to one about their research they are working on which will further enhance on their own work. Presenting makes the presenter more confident and new perspectives towards the project in new doorways.

03

Transform the Science

Discussing on latest research with worldwide speakers and delegates from various fields will bring the most gradual and progressive developments in transforming the science in the field of medical, clinical, pharma and engineering.
