## ABOUT CONFERENCE

We are delighted to welcome you to the **3rd World Congress on Earth Science, Climate Change & Sustainability**—Earth Science Congress 2026, taking place on **March 25–26, 2025**, in the vibrant city of **London, UK**.

Join us as we explore "Bridging Earth Science, Climate Change Mitigation, and Sustainable Development." Building upon the success of previous editions, this congress aims to unite leading researchers, scientists, policymakers, and professionals to address the critical nexus of understanding our planet, tackling climate change, and forging a sustainable future. Stay tuned for updates on the upcoming event!

This vital platform will connect experts and innovators dedicated to understanding our Earth and driving impactful solutions for a sustainable future. Watch this space for announcements about the next congress!

This global forum brings together leading scientists, researchers, policymakers, and industry experts to explore the most pressing challenges and groundbreaking advancements in Earth sciences, climate change, and sustainable development. With the theme of "Innovative Solutions for a Sustainable Future," the congress aims to foster interdisciplinary dialogue and collaborative strategies that drive real-world impact.

Join us for two days of insightful keynote speeches, interactive sessions, poster presentations, and networking opportunities that will inspire new ideas and partnerships. Whether you're contributing cutting-edge research or seeking to deepen your knowledge, Earth Science Congress 2026 is the ideal platform to engage with the global scientific community.

We look forward to your participation and to shaping a sustainable future together!

## THEMES AND TOPICS

- Earth Science & Geosciences
- Climate Change Science
- Environmental Sustainability
- Water, Oceans, and Atmospheric Science
- Urbanization, Industry, and Environmental Impact
- Innovations and Emerging Technologies
- Education, Outreach, and Public Engagement
- Agriculture and Food Security
- Biodiversity
- Earth Science
- Meteorology
- Environmental Science
- Carbon Cycle
- Glaciology
- Limnology
- Paleontology
- Physical Geography
- Pollution Control
- Remediation
- Renewable Energy
- Soil Science and Management
- Climate Change & Climatology
- Climate Change Challenges Sustainability
- Climate Change: Ocean and Marine Life

- Geomorphology
- Global warming
- Climate resilience
- Carbon sequestration
- Carbon cycle
- Environmental Engineering and Biochemistry
- Atmospheric Chemistry
- Bio-geochemistry
- Geology, Geochemistry and Geophysics
- Oceanography
- Hydrology and Hydrogeology
- Fossil Fuels and Energy
- Green Energy
- Natural Hazards
- Petrology
- Plant Science and Biotechnology
- Recycling
- Remote Sensing
- Sewage Treatment
- Waste Management
- Climate Change & Health
- Climate Change: Biodiversity Scenarios
- Climate Hazards
- Greenhouse Gases
- Carbon Footprint

**\*ALL RELEVANT PAPERS FALL UNDER THE THEME AND SCOPE OF THE CONFERENCE ARE ACCEPTED**

# WHY ATTEND?

## Cutting-Edge Research & Innovations

Discover the latest advancements in Earth science, climate research, and sustainability from leading scientists, researchers, and innovators shaping the future of our planet.

## Networking Opportunities

Build lasting connections with professionals across the globe, exchange ideas, and foster collaborations for future projects.

## Expert-Led Sessions

Attend presentations, panel discussions, and workshops led by renowned experts in Earth science, climate change, and sustainability.

## Practical Insights & Strategies

Gain real-world insights into best practices, innovative solutions, and policies that are driving progress in environmental stewardship, climate resilience, and sustainable development.

# WHO SHOULD ATTEND?

- Earth Scientists & Geologists
- Climatologists & Meteorologists
- Environmental Scientists & Ecologists
- Sustainability Experts & Policy Makers
- Academicians & Researchers
- Students & Early-Career Professionals
- Engineers & Technology Innovators
- NGOs & Environmental Advocates
- Urban Planners & Industry Leaders

## AGENDA

### March 25, 2026 | Day 01

09:00-09:15 OPENING CEREMONY

09:15-10:45 KEYNOTE PRESENTATIONS

10:45-11:00 REFRESHMENTS BREAK

11:00-13:00 KEYNOTE PRESENTATIONS

13:00-13:45 NETWORKING LUNCH

13:45-15:40 SPEAKER SESSION

15:40-16:00 REFRESHMENTS BREAK

16:00-17:45 SPEAKER SESSION

17:45-18:00 PANNEL DISCUSSION

### KEY FACTS

25+

Interactive  
Sessions

10+

Keynote  
Speakers

50+

Innovative  
Featured  
Speakers

5+

Workshops

20+

HOURS OF  
NETWORKING  
EVENTS

B2B  
Meetings

### March 26, 2026 | Day 02

09:00-09:15 OPENING CEREMONY

09:15-10:45 KEYNOTE PRESENTATIONS

10:45-11:00 REFRESHMENTS BREAK

11:00-13:00 KEYNOTE PRESENTATIONS

13:00-13:45 NETWORKING LUNCH

13:45-15:40 SPEAKER SESSION

15:40-16:00 REFRESHMENTS BREAK

16:00-17:45 POSTER SESSION

17:45-18:00 PANNEL DISCUSSION

# MAKE AN IMPACT AMPLIFY YOUR BRAND

Lorem ipsum dolor sit amet, elite  
consectetur adipiscing, sed do eiusmod  
tempor incididunt ut labore et dolore magna  
aliqua.

## TAKE YOUR BUSINESS TO THE NEXT LEVEL

“The goal of Earth science and climate sustainability research is to explore the natural processes and dynamic systems of our planet, in order to gain a deeper understanding of the mechanisms driving environmental change, the progression of climate impacts, and the complex interactions between human activities and Earth’s ecosystems.”

### Sponsorship Opportunities:

The 3rd World Congress on Earth Science, Climate Change & Sustainability is proudly supported by leading organizations, companies, research institutions, and more. Become a sponsor or exhibitor to showcase your work and connect with global leaders in the field.

### Event Highlights

- 25+ Interactive Sessions
- 15+ Keynote Speakers
- 5+ Workshops & Training Courses
- 100+ Distinguished Speakers
- Participants from Industry & Academia (50:50)
- 30+ Hours of Networking Events
- B2B Meetings
- World-class Exhibitions

# About SCHOLARS CONFERENCES

"Accelerating the Cutting-Edge Scientific Research into Success by Bringing People Together"

## Who We Are

Scholars Conferences is a global leader in producing high quality Conferences, Meetings, Workshops, Symposia and, Webinars in all major fields of Pharma, Healthcare, Science, Technology and Medicine.

Scholars Conferences endeavors to disseminate the scientific knowledge and research through its Scientific Conferences and Meetings. Scholars Conferences is currently organizing International Conferences, Meetings, Workshops, Symposia and, Webinars with a main theme of "Accelerating the Cutting-Edge Scientific Research into Success by Bringing People Together".

## WHY CHOOSE US?

Why does a Scholars Conferences stand out from other scientific meetings? Our meetings attract an exclusive number of audience who have a narrow concentration within a specialized field. We create a platform for informal, workshop style forums delivering a more intense scientific experience unlike other larger style conferences.

### OUR AIM

A red hexagonal icon containing a white paper airplane, symbolizing speed and direction.

We focus on bringing a much-needed level of efficiency and quality standards in the way we service our clients, thus building lasting partnerships-based quality, innovation, and commitment to abide by our deeply rooted core values.

### OUR VISION

A red hexagonal icon containing a white lightbulb with gears inside, symbolizing ideas and innovation.

We are a truly professional group of individuals, striving hard to maintain and improve the quality of execution of our services. Our people constituting our team are our key assets.

### OUR MISSION

A red hexagonal icon containing a white target with an arrow in the center, symbolizing focus and achievement.

Scholars Conferences strives to become internationally renowned for providing meetings of outstanding scientific quality, bringing together smaller interest groups to create informal and workshop style interactions, bridging a gap in the scientific conference community.

## CALENDAR MARKS

- First Round of Abstract Submission: August 25, 2025
- Second Round of Abstract Submission: September 24, 2025
- Final Phase of Abstract Submission: March 05, 2026
- Early Bird/Standard Registration: August 31, 2025
- Mid-Term Registration: September 30, 2025
- On-spot Registration: March 25-26, 2026
