ABOUT OTO-RHINO 2026

OTO-RHINO 2026
MARCH 30-31, 2026 | BARCELONA, SPAIN

Dear Esteemed Guests and Colleagues,

It is with great pleasure and anticipation that we welcome you to the 4th World Congress on Otology, Rhinology & Laryngology (Oto-Rhino 2026), taking place on March 30-31, 2026, in the historic and vibrant city of Barcelona, Spain.

Oto-Rhino 2026 is a premier international gathering dedicated to exploring the evolving science, societal impact, and sustainable approaches related to ENT and Otolaryngology. This landmark event will bring together renowned researchers, clinicians, policymakers, industry leaders, and advocates from across the globe to engage in meaningful dialogue and collaborative exploration of the future of ENT.

This edition of the congress will spotlight the latest breakthroughs in ENT and Otolaryngology, while also addressing the broader implications of ENT populations on society, healthcare systems, and policy frameworks. The program will feature keynote addresses from leading experts, thought-provoking panel discussions, immersive workshops, and networking opportunities designed to foster interdisciplinary collaboration. Participants will have the chance to share their research, exchange ideas, and co-create solutions to improve the quality of life for ENT individuals worldwide and offers a holistic platform to shape the next generation of ENT.

We look forward to your participation in Barcelona, where tradition meets innovation, and where together we will envision a future where ENT is embraced as a stage of vitality, contribution, and opportunity.

Welcome to Oto-Rhino 2026 — where science, society, and sustainability converge for a healthier, more inclusive tomorrow.

Warmest regards,
Organizing Committee
Oto-Rhino 2026

About SCHOLARS CONFERENCES

“Accelerating the Cutting-Edge Scientific Research into Success by Bringing People Together”

Who We Are

Scholars Conferences is a global leader in producing high quality Conferences, Meetings, Workshops, Symposia and, Webinars in all major fields of Pharma, Healthcare, Science, Technology and Medicine.

Scholars Conferences endeavors to disseminate the scientific knowledge and research through its Scientific Conferences and Meetings. Scholars Conferences is currently organizing International Conferences, Meetings, Workshops, Symposia and, Webinars with a main theme of “Accelerating the Cutting-Edge Scientific Research into Success by Bringing People Together”.

WHY CHOOSE US?

Why does a Scholars Conferences stand out from other scientific meetings? Our meetings attract an exclusive number of audience who have a narrow concentration within a specialized field. We create a platform for informal, workshop style forums delivering a more intense scientific experience unlike other larger style conferences.

OUR AIM

We focus on bringing a much-needed level of efficiency and quality standards in the way we service our clients, thus building lasting partnerships-based quality, innovation, and commitment to abide by our deeply rooted core values.

OUR VISION

We are a truly professional group of individuals, striving hard to maintain and improve the quality of execution of our services. Our people constituting our team are our key assets.

OUR MISSION

Scholars Conferences strives to become internationally renowned for providing meetings of outstanding scientific quality, bringing together smaller interest groups to create informal and workshop style interactions, bridging a gap in the scientific conference community.

UNIQUE FEATURES SCHOLARS CONFERENCES

“DISCOVER THE POWER OF NETWORKING”

Pursue Innovations

We work on pursuing the spread of new knowledge to the students researchers, Scientists, academicians, research laboratories by sharing a common platform. This will facilitate the technological advancements that transform the globe.

Real Networking

Focus on professional aspect of networking which will further boosts the professional confidence, leads to the exchange of ideas, helps you meet people at all professional levels, exchange of ideas. This will nurture and create more visibility for different fields of budding researchers in their career path.

Explore the Knowledge

Present, share an explore the knowledge and/or completely different areas of study. We provide ways to discuss with the new faces one to one about their research they are working on which will further enhance on their own work. Presenting makes the presenter more confident and new perspectives towards the project in new doorways.

Transform the Science

Discussing on latest research with worldwide speakers and delegates from various fields will bring the most gradual and progressive developments in transforming the science in the field of medical, clinical, pharma and engineering.

TESTIMONIALS

OTO-RHINO 2026

MARCH 26-31, 2026 | BARCELONA, SPAIN

"Thank you for the opportunity and it was a wonderful experience for me and your team did a great job and I am enjoyed whole conference and gained knowledge from the legends all over the world. I am looking forward to working with you in the future."

FATHIMA HABSA

"Scholars Conferences provided a very smooth conference experience and everything was extremely organized and pleasant. I would recommend for academics in the future."

AMIR HABEEB

"Conference Oto-Rhino was well organized with wide range of lectures covering almost entire otology rhinology and laryngology. It was very informative. Hoping to attend the next year's conference as well."

AAMIR MALICK SAIFI

"I am honored and grateful to have been invited and selected to contribute to this informative, innovative and important medical group. I appreciated very much the assistance given and answers to questions before the event that were graciously given. Altogether a great effort and production, thank you!"

CHERYL LAURETTE NOLTE

"I am very happy to participate at your conference for the third time it is very exciting to listen to a lot of experience data and many scientific knowledge. This international congress brought together a distinguished group of ENT specialists, researchers, and surgeons committed to advancing our field through knowledge exchange and collaboration."

REHAM ZITTOON

"Oto-Rhino 2025 was my second time attending after 2024 in Rome. The event showed clear improvement in organization and research quality. It's a great platform for ENT professionals to learn from leading experts. I gained valuable insights and wish Oto-Rhino continued success."

KHALED MOHAMED BOFARES

"I truly enjoyed participating in Oto-Rhino 2025. The conference was well-organized, scientifically rich, and provided a valuable platform for sharing knowledge and connecting with global colleagues. I look forward to future events"

MOHAMMAD TAHA MEHDI ARAGHI
