ABOUT CONFERENCE

THEME: UNITING MINDS, LEADING CHANGE: INNOVATION AND INTEGRATION IN GLOBAL MENTAL WELLNESS

Step into the Future of Mental Wellness at MindCon 2026!!

Building on a legacy of global collaboration and pioneering research, we are delighted to invite you to the Global Mental Wellness & Psychology Leadership Summit – MindCon 2026, September 14-15, 2026, in Singapore.

MindCon 2026 is the premier international stage for psychologists, mental health researchers, clinicians, and leaders to explore the latest innovations and integrated approaches in mental wellness. Centered on the theme, "Uniting Minds, Leading Change: Innovation and Integration in Global Mental Wellness," the summit is designed to inspire, challenge, and transform the way we approach mental health globally.

This summit brings together over 200 global experts to share knowledge, spark collaborations, and shape the future of mental wellness. Participants will benefit from a diverse and interactive program, featuring:

- Visionary Keynotes & Panel Discussions: Engage with thought leaders who are redefining mental health research and practice.
- Hands-On Workshops: Build practical skills and implement evidence-based strategies in your professional practice.
- Cutting-Edge Research Presentations: Discover breakthroughs in therapy, neuroscience, and integrative wellness.
- Collaborative Sessions: Forge partnerships across disciplines and borders to create lasting impact.
- Join an unparalleled community of academics, mental health professionals, innovators, and policy leaders to exchange ideas, accelerate progress, and lead meaningful change in global mental wellness.

Be part of the movement. Shape the future. Lead the change.

About SCHOLARS CONFERENCES

"Accelerating the Cutting-Edge Scientific Research into Success by Bringing People Together"

Who We Are

Scholars Conferences is a global leader in producing high quality Conferences, Meetings, Workshops, Symposia and, Webinars in all major fields of Pharma, Healthcare, Science, Technology and Medicine.

Scholars Conferences endeavors to disseminate the scientific knowledge and research through its Scientific Conferences and Meetings. Scholars Conferences is currently organizing International Conferences, Meetings, Workshops, Symposia and, Webinars with a main theme of "Accelerating the Cutting-Edge Scientific Research into Success by Bringing People Together".

WHY CHOOSE US?

Why does a Scholars Conferences stand out from other scientific meetings? Our meetings attract an exclusive number of audience who have a narrow concentration within a specialized field. We create a platform for informal, workshop style forums delivering a more intense scientific experience unlike other larger style conferences.

OUR AIM

A red hexagonal icon containing a white paper airplane, symbolizing speed and direction.

We focus on bringing a much-needed level of efficiency and quality standards in the way we service our clients, thus building lasting partnerships-based quality, innovation, and commitment to abide by our deeply rooted core values.

OUR VISION

A red hexagonal icon containing a white lightbulb with gears inside, symbolizing ideas and innovation.

We are a truly professional group of individuals, striving hard to maintain and improve the quality of execution of our services. Our people constituting our team are our key assets.

OUR MISSION

A red hexagonal icon containing a white target with an arrow in the center, symbolizing focus and achievement.

Scholars Conferences strives to become internationally renowned for providing meetings of outstanding scientific quality, bringing together smaller interest groups to create informal and workshop style interactions, bridging a gap in the scientific conference community.

UNIQUE FEATURES SCHOLARS CONFERENCES

“DISCOVER THE POWER OF NETWORKING”

Pursue Innovations

We work on pursuing the spread of new knowledge to the students researchers, Scientists, academicians, research laboratories by sharing a common platform. This will facilitate the technological advancements that transform the globe.

Real Networking

Focus on professional aspect of networking which will further boosts the professional confidence, leads to the exchange of ideas, helps you meet people at all professional levels, exchange of ideas. This will nurture and create more visibility for different fields of budding researchers in their career path.

Explore the Knowledge

Present, share an explore the knowledge and/or completely different areas of study. We provide ways to discuss with the new faces one to one about their research they are working on which will further enhance on their own work. Presenting makes the presenter more confident and new perspectives towards the project in new doorways.

Transform the Science

Discussing on latest research with worldwide speakers and delegates from various fields will bring the most gradual and progressive developments in transforming the science in the field of medical, clinical, pharma and engineering.
