ABOUT WOMEN'S SUMMIT 2026

"Empowering Global Entrepreneurs & Leadership for Tomorrow"

On behalf of the organizing committee, it is my privilege to welcome you to the 6th Global Women's Empowerment & Leadership Summit. We are delighted to host this landmark event in the dynamic and vibrant city of Bangkok, Thailand. Over the next two days, we gather as a global community of women leaders, entrepreneurs, and change agents united by a shared vision: to shape a future where women are empowered to lead, innovate, and create lasting impact in all sectors of society.

The theme of this year's summit, "Empowering Global Entrepreneurs & Leadership for Tomorrow," reflects the growing role of women in driving economic development, fostering social progress, and leading in industries traditionally dominated by men. As we look toward the future, it is critical to build the infrastructure and support systems that will enable women entrepreneurs and leaders to thrive in an increasingly complex and interconnected world.

Throughout the summit, we will engage in insightful discussions, share best practices, and explore emerging opportunities across various domains, including leadership development, entrepreneurial growth, digital transformation, and the promotion of diversity and inclusion. The challenges we face are global, but so too are the solutions we can create when we work together, share knowledge, and collaborate across borders and industries.

This summit serves as a platform for dialogue, learning, and partnership, and I encourage each of you to take full advantage of the sessions, networking opportunities, and interactive discussions. The collective knowledge and experience in this room represent an invaluable resource for advancing the cause of women's empowerment and leadership worldwide.

We are confident that the conversations and connections made here will inspire action, spark new collaborations, and further our shared commitment to creating a more equitable and inclusive future. We look forward to the ideas and initiatives that will emerge from our time together and the lasting impact we will have as a global network of empowered women.

Thank you for your participation, and I wish you all an enriching and inspiring experience at the 6th Global Women's Empowerment & Leadership Summit.
