About Physio Summit 2027

Dear Esteemed Guests and Colleagues,

We are thrilled to welcome you to the 3rd Global Physiotherapy, Physical Rehabilitation & Sports Medicine Summit (Physio Summit 2027), taking place on June 07–08, 2027, in the vibrant city of Barcelona, Spain.

Following the continued success of Physio Summit, our third edition will build on the growing momentum of this international platform for advancing the science and practice of movement, rehabilitation, and sports medicine. The summit will bring together leading clinicians, researchers, educators, healthcare professionals, and industry pioneers to exchange knowledge, explore emerging developments, and discuss transformative approaches in physiotherapy, physical rehabilitation, and sports medicine.

Join us for two engaging days featuring keynote presentations, scientific sessions, poster presentations, interactive discussions, and global networking opportunities. The summit is designed to encourage interdisciplinary collaboration, share evidence-based practices, highlight innovative research, and explore new approaches that contribute to improved patient care and human performance.

Whether you are presenting your latest research, sharing clinical expertise, exploring new technologies, or looking to expand your professional network, Physio Summit 2027 provides a valuable platform to connect, learn, collaborate, and contribute to the future of physiotherapy and rehabilitation.

We look forward to welcoming you to Barcelona for another inspiring and impactful edition of Physio Summit!

**Warmest regards,

About SCHOLARS CONFERENCES

"Advancing Movement, Rehabilitation
.4. Human Performance"

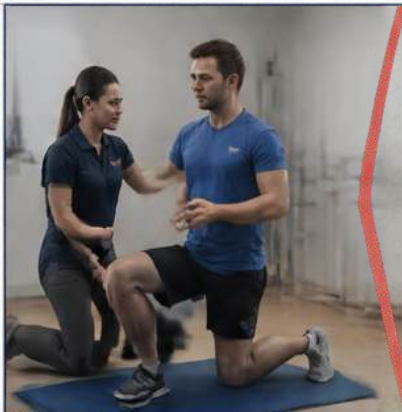

Who We Are

Scholars Conferences is a global leader in producing high quality Conferences, Meetings, Workshops, Symposium and Webinars in all major fields of Pharma, Healthcare, Science, Technology and Medicine.

Scholars Conferences endeavors to disseminate the scientific knowledge and research through its Scientific Conferences and Meetings. Scholars Conferences is currently organizing International Conferences, Meetings, Workshops, Symposium and Webinars with a main theme of "Advancing Movement, Rehabilitation & Human Performance".

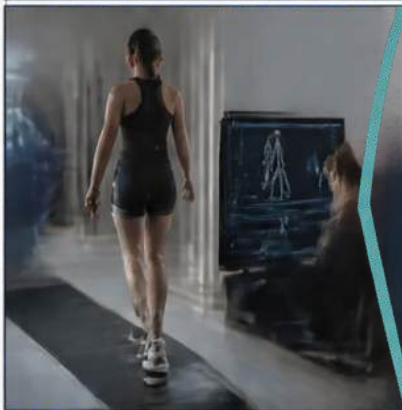

WHY CHOOSE US?

Why does a Scholars Conferences stand out from other scientific meetings? Our meetings attract an exclusive number of audience who have a narrow concentration within a specialized field. We create a platform for informal, workshop style forums delivering a more intense scientific experience unlike other larger style conferences.

OUR AIM

We focus on bringing a much-needed level of efficiency and quality standards in the way we service clients, building lasting partnerships based on quality, innovation, and commitment to abide by our deeply rooted core values.

OUR VISION

We are a truly professional group of individuals, striving hard to maintain and improve the quality of execution of our services. Our people constituting our team are our key assets.

OUR MISSION

Scholars Conferences strive to become internationally renowned for providing meetings and conferences where scholars from smaller interest groups to create informal and workshop style interactions, bridging a gap in the scientific conference community.

TESTIMONIALS

Mohammad Jamali, MGB-NWH, United States

Thank you for hosting such a well-organized and professional summit. I truly appreciated the punctual sessions, courteous staff, and engaging presentations. The diverse range of topics, strong representation of women speakers, and valuable scientific perspectives made the event a rewarding experience. I'm grateful for the opportunity to participate and look forward to joining future editions.

Tami Recesso, DocTamiPT, United States

Thank you so much for the wonderful opportunity to speak virtually at this conference. I had a great time participating and truly enjoyed sharing information about the Stim Pod 460 and its rapid results for urinary incontinence symptoms. It was a valuable and enjoyable experience, and I look forward to participating and speaking in person at future events.

Ana Moreira, University of Lisbon, Portugal

Thank you for the wonderful opportunity to participate in Physio Summit 2026 in Lisbon, Portugal. It was a valuable and enriching experience

Marina Seifen, Health Minister, Egypt

It was a great honor to participate in Physio Summit 2026. I am truly grateful for the opportunity to be part of this amazing conference and to share this valuable experience with such a wonderful professional community. Thank you so much to the entire team for organizing a memorable event. I hope to participate in another conference in Spain in the future.

Abdelazeem Hussien, Deraya University, Egypt

Thank you for the wonderful opportunity to be part of Physio Summit 2026. It was a valuable and enriching experience, and I sincerely hope this will be the beginning of many more opportunities for collaboration and professional engagement between us in the future.
