ABOUT CONFERENCE

The **4th World Congress on Addiction Medicine, Behavioral Health and Psychiatry (Addiction Conference 2027)** is a premier international event scheduled for **March 22-23, 2027** in **Paris, France**. Centered on the theme “Transforming Addiction and Behavioral Health Through Innovation and Global Collaboration,” the conference aims to bring together leading professionals, researchers, academicians, clinicians, and industry experts from across the globe.

This distinguished congress serves as a dynamic platform for exchanging cutting-edge research, innovative treatment strategies, and emerging trends in the fields of addiction medicine, psychiatry, and behavioral health. Participants will have the opportunity to engage in insightful keynote sessions, scientific presentations, panel discussions, and interactive networking, all designed to foster interdisciplinary collaboration and knowledge sharing.

Building on the success of previous editions, the conference continues its mission to advance understanding and treatment of substance use disorders and mental health conditions. It emphasizes evidence-based practices, technological advancements, and integrative approaches to improve prevention, diagnosis, and recovery outcomes.

The event welcomes a diverse audience including psychiatrists, psychologists, neurologists, therapists, healthcare professionals, researchers, students, and policymakers. Attendees will benefit from opportunities to present their research, publish findings, and connect with global leaders dedicated to transforming addiction care and behavioral health systems.

By uniting global expertise and encouraging collaborative dialogue, Addiction Conference 2027 aspires to drive meaningful progress and shape the future of addiction treatment and mental health care worldwide.

I really enjoyed the conference. Great conference.

Tere Beard, Hogar del Buen Pastor, Puerto Rico

I love talking about wellness and how we can help anyone feel better using non invasive techniques and tools.

The Scholars Conference provided a way of sharing our experience . It was very well planned. The speakers provided knowledge in many areas.

Hope to participate in future conferences.

Adele Maria Muscolo, University Mediterranea di Reggio Calabria, Italy

I had a wonderful experience at the meeting. The discussions were insightful, and it was truly impressive to engage with such high-level participants. The local organizer was excellent, and special thanks to organizing team for their kindness and constant support. I sincerely hope to have the opportunity to join the next meetings.

Ann Marie Leonard Zabel, Curry College & NEALAC Clinic, USA

It was a distinct honor to participate in this year's 3th World Congress on Mental Health and Psychiatry in London, England. I was privileged to serve as the opening keynote speaker and to chair a half-day session, both of which were profound rewarding experiences that underscored the significance and excellence of this international gathering.

The congress was exceptionally well organized and thoughtfully curated, bringing together an impressive assembly of leading scholars, clinicians, and professionals from across the globe. The caliber of the presentations was outstanding, and the depth of scholarly dialogue reflected a shared commitment to advancing the field of mental health in meaningful and innovative ways.

I was particularly inspired by the collaborative spirit that permeated the event. The opportunity to engage with esteemed colleagues, exchange cutting-edge ideas, and contribute to interdisciplinary conversations was invaluable. The knowledge and insights gained will undoubtedly enrich my ongoing work in teaching, research, and clinical practice.

This congress exemplifies the highest standards of academic and professional excellence. I am deeply grateful for the opportunity to contribute to such a distinguished and impactful event and look forward to continued involvement in the future.
