ABOUT MASS SPEC 2027

The **Euro-Global Summit on Mass Spectrometry and Analytical Techniques (Mass Spec 2027)** welcomes the global analytical science community to **Vienna, Austria**, on **27–28 September 2027**.

This international meeting is designed as a place to exchange research, examine new analytical approaches, and discuss the developments influencing the future of mass spectrometry and analytical technologies. We anticipate participation from researchers, academics, laboratory professionals, industry specialists, instrument developers, and emerging scientists representing different regions and disciplines.

Guided by the theme ***“Advancing Analytical Science Through Innovations in Mass Spectrometry and Cutting-Edge Technologies,”*** the program will explore a wide range of research areas, from mass spectrometry, chromatography, and spectroscopy to pharmaceutical analysis, bioanalysis, proteomics, metabolomics, clinical diagnostics, environmental analysis, forensic science, and advanced instrumentation.

Participants will have opportunities to present research, exchange technical knowledge, engage with experts, discover new methodologies, and develop professional and scientific connections. The diverse program is intended to encourage discussion between researchers working across different applications of analytical science.

Whether you are an established investigator, academic, industry professional, laboratory scientist, technology specialist, or early-career researcher, **Mass Spec 2027** provides a valuable setting to share your work and engage with the wider analytical community.

We look forward to meeting you in Vienna and sharing two days of scientific discussion, knowledge exchange, and collaboration.

THEMES AND TOPICS

Scientific sessions at a Mass Spec 2027 conference typically focus on the latest research, developments, and innovations in the field.

- Advances in Mass Spectrometry & Analytical Techniques
- Mass Spectrometry in Analytical Chemistry
- Mass Spectrometry in Bioanalysis
- Mass Spectrometry in Toxicology & Forensic Sciences
- Mass Spectrometry in Food Analysis & Safety
- Mass Spectrometry in Metabolomics & Lipidomics
- Mass Spectrometry in Pharmacogenomics
- Ionization Techniques & Mass Analyzers
- LC-MS, GC-MS & Hyphenated Techniques
- Inductively Coupled Plasma Mass Spectrometry (ICP-MS)
- NMR, UV-Vis, IR & Raman Spectroscopy
- Bioanalytical Methodology & Validation
- Trace & Ultra-Trace Analysis
- Biomarker Discovery & Molecular Analysis
- AI, Machine Learning & Chemometrics in Analytical Science
- New Instrumentation, Automation & High-Throughput Analysis
- Environmental Monitoring & Contaminant Analysis
- Emerging Analytical Technologies & Future Trends
- Green & Sustainable Analytical Chemistry
- Applications of Mass Spectrometry
- Mass Spectrometry in Pharmaceutical Analysis
- Mass Spectrometry in Clinical & Diagnostic Sciences
- Mass Spectrometry in Environmental Sciences
- Mass Spectrometry Imaging & Spatial Analysis
- Mass Spectrometry Imaging & Spatial Omics
- High-Resolution & Tandem Mass Spectrometry
- Chromatography & Mass Spectrometry
- Ion Mobility & Electrophoresis Mass Spectrometry
- Isotope Ratio & Elemental Mass Spectrometry
- Analytical Chemistry & Method Development
- Sample Preparation & Extraction Techniques
- Drug Discovery & Development Analytics
- Proteomics, Bioinformatics & Computational Analysis
- Sensors, Biosensors & Analytical Devices
- Nanotechnology, Materials & Surface Characterization

AGENDA

SEPTEMBER 27-28, 2027
MONDAY & TUESDAY
08:00 - 18:00

08:00-09:00	REGISTRATIONS	Starts with a registration and with welcome kits and badges provided. .
09:00-09:15	OPENING CEREMONY	Officially starts at 9:00 AM with remarks from the organizing committee and keynote introductions.
09:15-10:45	KEYNOTE SESSIONS	Held each morning with international experts addressing the latest advances in Mass Spectrometry and Analytical Techniques.
10:45-11:05	COFFEE BREAK	Scheduled mid-morning for networking and refreshments.
11:05-13:00	KEYNOTE SESSIONS	Held each morning with international experts addressing the latest advances in Mass Spectrometry and Analytical Techniques.
13:00-13:45	LUNCH AND NETWORKING	A lunch break Provided daily with options for all dietary preferences. before the afternoon activities.
13:45-16:00	SPEAKER SESSIONS	Concurrent sessions highlighting the latest breakthroughs and innovations in Mass Spectrometry and Analytical Techniques.
16:00-16:20	NETWORKING AND REFRESHMENTS	Casual gathering over coffee and light snacks , ideal for professional connections.
16:20-18:00	SPEAKER AND POSTER SESSIONS	Speaker and Poster Sessions throughout both days, with author Q&A sessions during designated hours.
CLOSING CEREMONY AND PANEL DISCUSSIONS		

The aim of this unique conference is to bring together healthcare researchers from around the world to present and discuss the latest developments in their respective fields.

Sponsorship Opportunities:

- Reach your target market with exclusive packages
- Promote brand recognition through high visibility
- Communicate directly with influential decision makers
- Provide solutions to technology challenges Source new products
- Leverage these benefits to achieve returns on your marketing dollars
- Reach a High Qualified Target Audience with this Strategic Opportunity!

Event Highlights:

- 25+ Interactive Sessions
- 5+ Workshops
- 30+ Hours of Networking Events
- 15+ Keynote Speakers
- Participants from Industry & Academia (50:50)
- 50+ Innovative Featured Speakers
- B2B Meetings
- World-class Exhibitions

About SCHOLARS CONFERENCES

“Advancing Analytical Science Through Innovations in Mass Spectrometry and Cutting-Edge Technologies”

Who We Are

Scholars Conferences is a global leader in producing high quality Conferences, Meetings, Workshops, Symposia and, Webinars in all major fields of Pharma, Healthcare, Science, Technology and Medicine.

Scholars Conferences endeavors to disseminate the scientific knowledge and research through its Scientific Conferences and Meetings. Scholars Conferences is currently organizing International Conferences, Meetings, Workshops, Symposia and, Webinars with a main theme of “Accelerating the Cutting-Edge Scientific Research into Success by Bringing People Together”.

WHY CHOOSE US?

Why does a Scholars Conferences stand out from other scientific meetings? Our meetings attract an exclusive number of audience who have a narrow concentration within a specialized field. We create a platform for informal, workshop style forums delivering a more intense scientific experience unlike other larger style conferences.

OUR AIM

We focus on bringing a much-needed level of efficiency and quality standards in the way we service our clients, thus building lasting partnerships-based quality, innovation, and commitment to abide by our deeply rooted core values.

OUR VISION

We are a truly professional group of individuals, striving hard to maintain and improve the quality of execution of our services. Our people constituting our team are our key assets.

OUR MISSION

Scholars Conferences strives to become internationally renowned for providing meetings of outstanding scientific quality, bringing together smaller interest groups to create informal and workshop style interactions, bridging a gap in the scientific conference community.

UNIQUE FEATURES SCHOLARS CONFERENCES

“DISCOVER THE POWER OF NETWORKING”

Pursue Innovations

We work on pursuing the spread of new knowledge to the students researchers, Scientists, academicians, research laboratories by sharing a common platform. This will facilitate the technological advancements that transform the globe.

01

Real Networking

Focus on professional aspect of networking which will further boosts the professional confidence, leads to the exchange of ideas, helps you meet people at all professional levels, exchange of ideas. This will nurture and create more visibility for different fields of budding researchers in their career path.

02

Explore the Knowledge

Present, share an explore the knowledge and/or completely different areas of study. We provide ways to discuss with the new faces one to one about their research they are working on which will further enhance on their own work. Presenting makes the presenter more confident and new perspectives towards the project in new doorways.

03

Transform the Science

Discussing on latest research with worldwide speakers and delegates from various fields will bring the most gradual and progressive developments in transforming the science in the field of medical, clinical, pharma and engineering.

CALENDAR MARKS

- First Round of Abstract Submission: October 25, 2026
- Second Round of Abstract Submission: December 25, 2026
- Final Phase of Abstract Submission: September 15, 2027
- Early Bird/Standard Registration: October 31, 2026
- Mid-Term Registration: December 31, 2026
- On-spot Registration: September 28, 2027
