ABOUT CONFERENCE

We are delighted to welcome you to the **4th World Congress on Earth Science, Climate Change & Sustainability**—Earth Science Congress 2026, taking place on **24-25 Mar 2027**, in the vibrant city of **Paris, France**.

Join us as we explore "Advancing Earth Science and Climate Solutions for a Sustainable Future." Building upon the success of previous editions, this congress aims to unite leading researchers, scientists, policymakers, and professionals to address the critical nexus of understanding our planet, tackling climate change, and forging a sustainable future. Stay tuned for updates on the upcoming event!

This vital platform will connect experts and innovators dedicated to understanding our Earth and driving impactful solutions for a sustainable future. Watch this space for announcements about the next congress!
This global forum brings together leading scientists, researchers, policymakers, and industry experts to explore the most pressing challenges and groundbreaking advancements in Earth sciences, climate change, and sustainable development. With the theme of "Innovative Solutions for a Sustainable Future," the congress aims to foster interdisciplinary dialogue and collaborative strategies that drive real-world impact.

Join us for two days of insightful keynote speeches, interactive sessions, poster presentations, and networking opportunities that will inspire new ideas and partnerships. Whether you're contributing cutting-edge research or seeking to deepen your knowledge, Earth Science Congress 2027 is the ideal platform to engage with the global scientific community.

We look forward to your participation and to shaping a sustainable future together!

THEMES AND TOPICS

- Earth Science & Geosciences
- Climate Change Science
- Environmental Sustainability
- Water, Oceans, and Atmospheric Science
- Urbanization, Industry, and Environmental Impact
- Innovations and Emerging Technologies
- Education, Outreach, and Public Engagement
- Agriculture and Food Security
- Biodiversity
- Earth Science
- Meteorology
- Environmental Science
- Carbon Cycle
- Glaciology
- Limnology
- Paleontology
- Physical Geography
- Pollution Control
- Remediation
- Renewable Energy
- Soil Science and Management
- Climate Change & Climatology
- Climate Change Challenges Sustainability
- Climate Change: Ocean and Marine Life
- Geomorphology
- Global warming
- Climate resilience
- Carbon sequestration
- Carbon cycle
- Environmental Engineering and Biochemistry
- Atmospheric Chemistry
- Bio-geochemistry
- Geology, Geochemistry and Geophysics
- Oceanography
- Hydrology and Hydrogeology
- Fossil Fuels and Energy
- Green Energy
- Natural Hazards
- Petrology
- Plant Science and Biotechnology
- Recycling
- Remote Sensing
- Sewage Treatment
- Waste Management
- Climate Change & Health
- Climate Change: Biodiversity Scenarios
- Climate Hazards
- Greenhouse Gases
- Carbon Footprint

***ALL RELEVANT PAPERS FAILL UNDER THE THEME AND SCOPE OF THE CONFERENCE ARE ACCEPTED**

WHY ATTEND?

Stay Updated on Latest Trends

Gain insights into the newest developments and emerging ideas shaping your field.

Build Powerful Networks

Connect with global experts, peers, and industry leaders to create lasting professional relationships.

Discover Cutting-Edge Innovations

Explore breakthrough research, technologies, and solutions driving the future.

Collaborate for a Better Future

Engage in meaningful discussions and partnerships that lead to impactful outcomes.

Expand Knowledge & Impact

Expand your knowledge by gaining insights from leading experts, innovative research, and real-world case studies. Increase your impact by applying what you learn to drive meaningful change and advancement in your field.

WHO SHOULD ATTEND?

- Earth Scientists & Geologists
- Climatologists & Meteorologists
- Environmental Scientists & Ecologists
- Sustainability Experts & Policy Makers
- Academicians & Researchers
- Urban Planners & Industry Leaders
- Students & Early-Career Professionals
- Engineers & Technology Innovators
- NGOs & Environmental Advocates
- Environmental Consultants & Advisors
- Climate Change Analysts & Risk Assessors
- Agricultural & Soil Scientists

AGENDA

March 25, 2026 | Day 01

09:00-09:15OPENING CEREMONY

09:15-10:45KEYNOTE PRESENTATIONS

10:45-11:00REFRESHMENTS BREAK

11:00-13:00KEYNOTE PRESENTATIONS

13:00-13:45NETWORKING LUNCH

13:45-15:40SPEAKER SESSION

15:40-16:00REFRESHMENTS BREAK

16:00-17:45SPEAKER SESSION

17:45-18:00PANNEL DISCUSSION

March 26, 2026 | Day 02

09:00-09:15OPENING CEREMONY

09:15-10:45KEYNOTE PRESENTATIONS

10:45-11:00REFRESHMENTS BREAK

11:00-13:00KEYNOTE PRESENTATIONS

13:00-13:45NETWORKING LUNCH

13:45-15:40SPEAKER SESSION

15:40-16:00REFRESHMENTS BREAK

16:00-17:45POSTER SESSION

17:45-18:00PANNEL DISCUSSION

KEY FACTS

25+ Interactive Sessions

10+ Keynote Speakers

50+ Innovative Featured Speakers

5+ Workshops

20+ HOURS OF NETWORKING EVENTS

B2B Meetings

Earth Science Congress 2026 Glimpses

DELEGATE FEEDBACK

Dhita Mutiara Nabella, University College London, UK
I would like to sincerely thank you for the opportunity to be part of the conference March 25 2026. It was a pleasure to contribute as a moderator on Day 1 and to engage in such insightful discussions throughout the event.

Klaus Fleissner, Bavarian State Research Center for Agriculture, Germany
The conference was perfectly organized and the presentations were very interesting and of good quality

Mounkaila Mohamed Universite Abdou Moumouni, Niger
It was a very interesting experience, and I look forward to participating in the next edition.

Peter Fiekowksy, Climate Restoration Program, United States
I would like to sincerely thank you for the opportunity. I truly enjoyed the presentation, and it led to an exciting request for more information about our project.

Xiaojun Qi, Zhaoqing University, China
Thank you very much for your help and for giving me the opportunity to present my research findings, which has allowed me to exchange valuable insights with everyone. I will continue to dedicate myself to research on global development in order to earn your recognition. Thank you once again!

Venkatesh Chennam Vijay, Birmingham City University, United Kingdom
Grateful for the opportunity to contribute, present, and exchange ideas — and even more excited about the real-world impact this work can create.

Adele Maria Muscolo, University Mediterranea di Reggio Calabria, Italy
I had a wonderful experience at the meeting. The discussions were insightful, and it was truly impressive to engage with such high-level participants. The local organizer was excellent, and special thanks to organizing team for their kindness and constant support. I sincerely hope to have the opportunity to join the next meetings.

FEATURED SPEAKERS

Latifah Omar

Universiti Putra Malaysia Sarawak, Malaysia

Eftiaz Hossien

SIMEC Foundation, Bangladesh

Faridah Abdul Razak

Universiti Putra Malaysia Sarawak, Malaysia

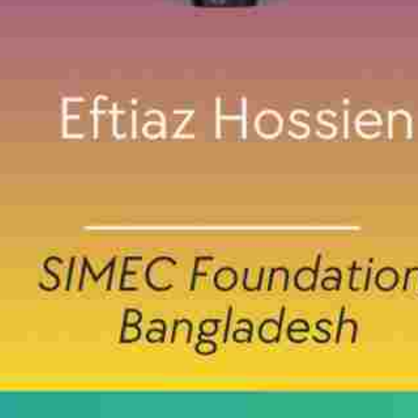

Ivanigor KOUATCHA

University of Douala, Cameroon

Muhammad Javed

Balochistan Agriculture Research Institute, Pakistan

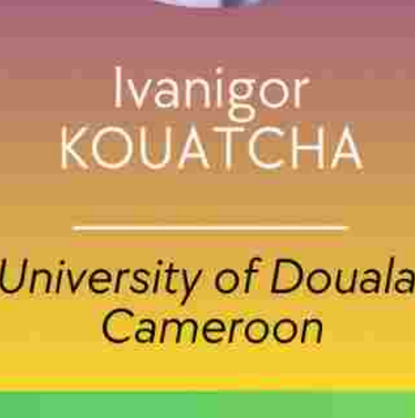

Ndeye Khady NDIAYE

University of Ibadan, Senegal

Otutu Anslem O

Geosoft Global Innovation lIMITED, Nigeria

David Oswald

DE Design + Environment Inc. , Canada

KADARKARAI MURUGAN

Bharathiar University, India

Bernd Blobel

University of Regensburg, Germany

Petra Diel-Zadro

Hrvatska gospodarska komora, Croatia

Lorraine Tighe

Esri, United States

MAKE AN IMPACT

AMPLIFY YOUR BRAND

Lorem ipsumdolor sit amet, elite consecteturadipiscing,sed do eiusmod tempor incididunt ut labore et doloremagna aliqua.

TAKE YOUR BUSINESS TO THE NEXT LEVEL

"The goal of Earth science and climate sustainability research is to explore the natural processes and dynamic systems of our planet, in order to gain a deeper understanding of the mechanisms driving environmental change, the progression of climate impacts, and the complex interactions between human activities and Earth's ecosystems."

Sponsorship Opportunities:

The 4th World Congress on Earth Science, Climate Change & Sustainability is proudly supported by leading organizations, companies, research institutions, and more. Become a sponsor or exhibitor to showcase your work and connect with global leaders in the field.

Event Highlights

- **25+** Interactive Sessions
- **15+** Keynote Speakers
- **5+** Workshops & Training Courses
- **100+** Distinguished Speakers
- Participants from Industry & Academia (50:50)
- **30+** Hours of Networking Events
- B2B Meetings
- World-class Exhibitions

About SCHOLARS CONFERENCES

"Accelerating the Cutting-Edge Scientific Research into Success by Bringing People Together"

Who We Are

Scholars Conferences is a global leader in producing high quality Conferences, Meetings, Workshops, Symposia and, Webinars in all major fields of Pharma, Healthcare, Science, Technology and Medicine.

Scholars Conferences endeavors to disseminate the scientific knowledge and research through its Scientific Conferences and Meetings. Scholars Conferences is currently organizing International Conferences, Meetings, Workshops, Symposia and, Webinars with a main theme of "Accelerating the Cutting-Edge Scientific Research into Success by Bringing People Together".

WHY CHOOSE US?

Why does a Scholars Conferences stand out from other scientific meetings? Our meetings attract an exclusive number of audience who have a narrow concentration within a specialized field. We create a platform for informal, workshop style forums delivering a more intense scientific experience unlike other larger style conferences.

OUR AIM

We focus on bringing a much-needed level of efficiency and quality standards in the way we service our clients, thus building lasting partnerships-based quality, innovation, and commitment to abide by our deeply rooted core values.

OUR VISION

We are a truly professional group of individuals, striving hard to maintain and improve the quality of execution of our services. Our people constituting our team are our key assets.

OUR MISSION

Scholars Conferences strives to become internationally renowned for providing meetings of outstanding scientific quality, bringing together smaller interest groups to create informal and workshop style interactions, bridging a gap in the scientific conference community.
