About EuroChem 2027

Dear Esteemed Guests and Colleagues,

It is with great pleasure that we welcome you to the **Euro-Global Summit on Applied Chemistry and Chemical Innovations (EuroChem 2027)**, to be held on September **27–28, 2027** in **Vienna, Austria.**

Guided by the theme, "**Innovating Chemistry for a Sustainable Future**," EuroChem 2027 will bring together leading researchers, scientists, academicians, industry professionals, innovators, and emerging scholars from around the world. The summit aims to provide an international platform for the exchange of knowledge, presentation of recent scientific advancements, and exploration of innovative solutions addressing current and future challenges in applied chemistry.

The scientific program will encourage insightful discussions, research presentations, interdisciplinary collaboration, and professional networking across a broad range of areas in chemistry and chemical innovation. By bringing together expertise from academia, research institutions, and industry, EuroChem 2027 seeks to inspire new ideas, strengthen scientific partnerships, and promote innovations that contribute to sustainable scientific and technological progress.

We are delighted to invite you to be part of this important scientific gathering and look forward to welcoming you to the historic and vibrant city of Vienna, Austria. We hope EuroChem 2027 will provide a rewarding opportunity for knowledge exchange, collaboration, and the development of meaningful professional connections.

We warmly welcome you to **EuroChem 2027.**

Warmest regards,
Organizing Committee
EuroChem 2027

Scientific Sessions

Scientific sessions at a Eurochem 2027 conference typically focus on the latest research, developments, and innovations in the field.

- Advances in Applied Chemistry
- Chemical Innovations and Emerging Technologies
- Green and Sustainable Chemistry
- Materials Chemistry and Advanced Functional Materials
- Nanochemistry and Nanomaterials
- Analytical Chemistry and Modern Instrumentation
- Organic and Medicinal Chemistry
- Catalysis and Chemical Reaction Engineering
- Polymer Science and Advanced Chemical Materials
- Electrochemistry and Energy Storage Technologies
- Renewable Energy and Sustainable Chemical Technologies
- Environmental Chemistry and Pollution Control
- Industrial and Process Chemistry
- Biotechnology and Chemical Biology
- Circular Economy and Waste Valorization
- Artificial Intelligence and Digital Transformation in Chemistry
- Pharmaceutical Chemistry
- Chemistry in Health and Medicine
- Chemical Biology and Drug Discovery
- Forensic and Toxicological Chemistry
- Chemical Biology and Chemical Synthesis
- Thermochemistry

AGENDA

Sep 27-28, 2027
MONDAY & TUESDAY
08:00 - 18:00

08:00-09:00	**REGISTRATIONS**	Starts with a registration and with welcome kits and badges provided. .
09:00-09:15	**OPENING CEREMONY**	Officially starts at 9:00 AM with remarks from the organizing committee and keynote introductions.
09:15-10:45	**KEYNOTE SESSIONS**	Held each morning with international experts addressing the latest advances in Applied Chemistry, Chemical Innovations
10:45-11:05	**COFFEE BREAK**	Scheduled mid-morning for networking and refreshments.
11:05-13:00	**KEYNOTE SESSIONS**	Held each morning with international experts addressing the latest advances in Applied Chemistry, Chemical Innovations
13:00-13:45	**LUNCH AND NETWORKING**	A lunch break Provided daily with options for all dietary preferences. before the afternoon activities.
13:45-16:00	**SPEAKER SESSIONS**	Parallel tracks covering applied chemistry, chemical innovations, emerging technologies, and advances in chemical research.
16:00-16:20	**NETWORKING AND REFRESHMENTS**	Casual gathering over coffee and light snacks , ideal for professional connections.
16:20-18:00	**SPEAKER AND POSTER SESSIONS**	Speaker and Poster Sessions throughout both days, with author Q&A sessions during designated hours.

CLOSING CEREMONY AND PANEL DISCUSSIONS

MAKE AN IMPACT AMPLIFY YOUR BRAND

"The aims and objectives of this unique conference are to bring together researchers in healthcare to present and discuss the most recent developments in these fields all over the world".

Sponsorship Opportunities:

- Reach your target market with exclusive packages
- Promote brand recognition through high visibility
- Communicate directly with influential decision makers
- Provide solutions to technology challenges Source new products
- Leverage these benefits to achieve returns on your marketing dollars
- *****Reach a High Qualified Target Audience with this Strategic Opportunity!

Event Highlights:

- 25+ Interactive Sessions
- 5+ Workshops
- 30+ Hours of Networking Events
- 15+ Keynote Speakers Participants from Industry & Academia (50:50)
- 50+ Innovative Featured Speakers
- B2B Meetings
- World-class Exhibitions

About SCHOLARS CONFERENCES

"Accelerating the Cutting-Edge Scientific Research into Success by Bringing People Together"

Who We Are

Scholars Conferences is a global leader in producing high quality Conferences, Meetings, Workshops, Symposia and, Webinars in all major fields of Pharma, Healthcare, Science, Technology and Medicine.

Scholars Conferences endeavors to disseminate the scientific knowledge and research through its Scientific Conferences and Meetings. Scholars Conferences is currently organizing International Conferences, Meetings, Workshops, Symposia and, Webinars with a main theme of "Accelerating the Cutting-Edge Scientific Research into Success by Bringing People Together".

OUR AIM

We focus on bringing a much-needed level of efficiency and quality standards in the way we service our clients, thus building lasting partnerships-based quality, innovation, and commitment to abide by our deeply rooted core values.

OUR VISION

We are a truly professional group of individuals, striving hard to maintain and improve the quality of execution of our services. Our people constituting our team are our key assets.

OUR MISSION

Scholars Conferences strives to become internationally renowned for providing meetings of outstanding scientific quality, bringing together smaller interest groups to create informal and workshop style interactions, bridging a gap in the scientific conference community.

WHY CHOOSE US?

Why does a Scholars Conferences stand out from other scientific meetings? Our meetings attract an exclusive number of audience who have a narrow concentration within a specialized field. We create a platform for informal, workshop style forums delivering a more intense scientific experience unlike other larger style conferences.

UNIQUE FEATURES SCHOLARS CONFERENCES

"DISCOVER THE POWER OF NETWORKING"

Pursue Innovations

01

We work on pursuing the spread of new knowledge to the students researchers, Scientists, academicians, research laboratories by sharing a common platform. This will facilitate the technological advancements that transform the globe.

Real Networking

02

Focus on professional aspect of networking which will further boosts the professional confidence, leads to the exchange of ideas, helps you meet people at all professional levels, exchange of ideas. This will nurture and create more visibility for different fields of budding researchers in their career path.

Explore the Knowledge

03

Present, share an explore the knowledge and/or completely different areas of study. We provide ways to discuss with the new faces one to one about their research they are working on which will further enhance on their own work. Presenting makes the presenter more confident and new perspectives towards the project in new doorways.

Transform the Science

04

Discussing on latest research with worldwide speakers and delegates from various fields will bring the most gradual and progressive developments in transforming the science in the field of medical, clinical, pharma and engineering.

CALENDAR MARKS

- First Round of Abstract Submission: November 26, 2026
- Second Round of Abstract Submission: January 25, 2027
- Final Phase of Abstract Submission: September 10, 2027
- Early Bird/Standard Registration: November 30, 2026
- Mid-Term Registration: January 30, 2027
- On-spot: September 28, 2027
