ABOUT WASE 2026

“Redefining Boundaries: Advances in Applied Science for a Resilient Future”

Welcome to the WASE 2026!

It is with great enthusiasm that we welcome you to London, UK for the **World Congress on Advances in Applied Science and Engineering**. We are honored to host this significant event in one of the world's most vibrant and forward-thinking cities, known for its dynamic blend of tradition and cutting-edge innovation.

This **WASE 2026** congress serves as a platform to showcase pioneering research, exchange transformative ideas, and foster collaborations that drive progress in our fields. Over the course of our event, we will delve into the latest advancements, celebrate breakthroughs, and envision the future of science and engineering.

Your participation and expertise are what make this congress a vibrant and dynamic forum. We encourage you to engage fully, share your insights, and connect with fellow professionals who are as passionate about shaping the future as you are.

London, UK, with its thriving research community and global perspective, offers an inspiring backdrop for our discussions. We invite you to immerse yourself in the rich cultural experiences this city has to offer while participating in our sessions and workshops.

Thank you for joining us in this exciting journey. Together, let us explore new horizons, inspire innovation, and contribute to a world where science and engineering continue to make profound and positive impacts.

Welcome to London, UK, and to an enlightening and impactful experience!

Warm regards,
Organizing Committee
WASE 2026
Scholars Conferences

THEMES AND TOPICS

Scientific sessions at a WASE 2026 conference typically focus on the latest research on Applied Science and Engineering.

- Advanced Materials and Nanotechnology
- Renewable Energy Technologies
- Smart Cities and Urban Engineering
- Computational Science and Engineering
- Ethical and Social Implications of Technology
- Future Trends and Emerging Technologies
- The Role of Policy and Regulation in Shaping the Future
- Artificial Intelligence and Machine Learning in Engineering
- Biotechnology and Biomedical Engineering
- Environmental Engineering and Sustainability
- Robotics and Automation
- Collaborative Research and Industry Partnerships
- Key Challenges and Opportunities for Researchers
- Vision for the Next Decade in Applied Science and Engineering

EVNET HIGHLIGHTS:

- 25+ Interactive Sessions
- 5+ Workshops
- 30+ Hours of Networking Events
- 15+ Keynote Speakers
- Participants from Industry & Academia (50:50)
- 50+ Innovative Featured Speakers
- B2B Meetings
- World-class Exhibitions

Meeting Agenda

KEY FACTS

March 25, 2026 | Day 01

- 09:00-09:15 OPENING CEREMONY
.....
- 09:15-10:45 KEYNOTE PRESENTATIONS
.....
- 10:45-11:00 REFRESHMENTS BREAK
.....
- 11:00-13:00 KEYNOTE PRESENTATIONS
.....
- 13:00-13:45 NETWORKING LUNCH
.....
- 13:45-15:40 SPEAKER SESSION
.....
- 15:40-16:00 REFRESHMENTS BREAK
.....
- 16:00-17:45 SPEAKER SESSION
.....
- 17:45-18:00 PANNEL DISCUSSION
.....

“The aims and objectives of this unique conference are to bring together researchers in applied science and engineering field to present and discuss the most recent developments in these fields all over the world”

Sponsorship Opportunities:

- Reach your target market with exclusive packages
- Promote brand recognition through high visibility
- Communicate directly with influential decision makers
- Provide solutions to technology challenges Source new products
- Leverage these benefits to achieve returns on your marketing dollars
- *****Reach a High Qualified Target Audience with this Strategic Opportunity!

Who Can Attend:

- Academics and Researchers
- Professors and Faculty Members
- Postdoctoral Researchers
- PhD Students
- Industry Professionals
- Engineers
- Research and Development (R&D) Managers
- Consultants
- Government and Policy Makers
- Regulatory Authorities
- Funding Agencies
- Students and Early Career Professionals
- Industry Partners and Stakeholders
- Technology Providers
- Business Leaders and Entrepreneurs
- Science Enthusiasts

About SCHOLARS CONFERENCES

"Accelerating the Cutting-Edge Scientific Research into Success by Bringing People Together"

Who We Are

Scholars Conferences is a global leader in producing high quality Conferences, Meetings, Workshops, Symposia and, Webinars in all major fields of Pharma, Healthcare, Science, Technology and Medicine.

Scholars Conferences endeavors to disseminate the scientific knowledge and research through its Scientific Conferences and Meetings. Scholars Conferences is currently organizing International Conferences, Meetings, Workshops, Symposia and, Webinars with a main theme of "Accelerating the Cutting-Edge Scientific Research into Success by Bringing People Together".

WHY CHOOSE US?

Why does a Scholars Conferences stand out from other scientific meetings? Our meetings attract an exclusive number of audience who have a narrow concentration within a specialized field. We create a platform for informal, workshop style forums delivering a more intense scientific experience unlike other larger style conferences.

OUR AIM

We focus on bringing a much-needed level of efficiency and quality standards in the way we service our clients, thus building lasting partnerships-based quality, innovation, and commitment to abide by our deeply rooted core values.

OUR VISION

We are a truly professional group of individuals, striving hard to maintain and improve the quality of execution of our services. Our people constituting our team are our key assets.

OUR MISSION

Lambda Research Group strives to become internationally renowned for providing meetings of outstanding scientific quality, bringing together smaller interest groups to create informal and workshop style interactions, bridging a gap in the scientific conference community.

UNIQUE FEATURES SCHOLARS CONFERENCES

“DISCOVER THE POWER OF NETWORKING”

Pursue Innovations

We work on pursuing the spread of new knowledge to the students researchers, Scientists, academicians, research laboratories by sharing a common platform. This will facilitate the technological advancements that transform the globe.

01

Real Networking

Focus on professional aspect of networking which will further boosts the professional confidence, leads to the exchange of ideas, helps you meet people at all professional levels, exchange of ideas. This will nurture and create more visibility for different fields of budding researchers in their career path.

02

Explore the Knowledge

Present, share an explore the knowledge and/or completely different areas of study. We provide ways to discuss with the new faces one to one about their research they are working on which will further enhance on their own work. Presenting makes the presenter more confident and new perspectives towards the project in new doorways.

03

Transform the Science

Discussing on latest research with worldwide speakers and delegates from various fields will bring the most gradual and progressive developments in transforming the science in the field of medical, clinical, pharma and engineering.
