ABOUT APMH 2025

The background of the top section features a dark, semi-transparent overlay on the left containing the title. To the right, there is a blurred image of a person's profile looking towards the right, and a faint, light-colored diagram or map is visible in the upper right corner.

“Future Directions: Pioneering Mental Health and Well-being Initiatives”

Welcome to the Asia-Pacific Mental Health and Well-being Congress 2024!

It is with great pleasure that we welcome you to the enchanting island of **Bali** for this year's **Asia-Pacific Mental Health and Well-being Congress**. We are thrilled to host you in this vibrant and culturally rich setting, where the serene beauty of Bali meets the cutting-edge advancements in mental health care.

We are delighted to welcome you to this pivotal gathering of minds, where thought leaders, practitioners, and advocates from across the world come together to explore and advance mental health and well-being.

This year's congress is a celebration of the incredible diversity and innovation that defines our region. As we unite to share insights, experiences, and solutions, we are not just addressing the challenges we face but also celebrating the progress and achievements that inspire us all.

Our theme, ***“Future Directions: Pioneering Mental Health and Well-being Initiatives”*** underscores our commitment to pioneering new approaches and fostering collaboration. Through dynamic sessions, interactive workshops, and engaging discussions, we aim to bridge cultural perspectives and drive meaningful change. Thank you for being a part of this journey. Your participation is crucial in shaping the future of mental health care and support in our region. Together, let's work towards a future where mental well-being is a universal priority and where every individual has the opportunity to thrive.

Bali, known for its rich cultural heritage and tranquil landscapes, provides the perfect backdrop for our discussions and interactions. As we gather here, let us draw inspiration from the island's spirit of harmony and resilience, and apply it to our collective mission of advancing mental health and well-being.

Welcome, and let's embark on this transformative experience together!

Warm regards,
Program Manager
Organizing Committee | APMH 2025

About SCHOLARS CONFERENCES

"Accelerating the Cutting-Edge Scientific Research into Success by Bringing People Together"

Who We Are

Scholars Conferences is a global leader in producing high quality Conferences, Meetings, Workshops, Symposia and, Webinars in all major fields of Pharma, Healthcare, Science, Technology and Medicine.

Scholars Conferences endeavors to disseminate the scientific knowledge and research through its Scientific Conferences and Meetings. Scholars Conferences is currently organizing International Conferences, Meetings, Workshops, Symposia and, Webinars with a main theme of "Accelerating the Cutting-Edge Scientific Research into Success by Bringing People Together".

WHY CHOOSE US?

Why does a Scholars Conferences stand out from other scientific meetings? Our meetings attract an exclusive number of audience who have a narrow concentration within a specialized field. We create a platform for informal, workshop style forums delivering a more intense scientific experience unlike other larger style conferences.

OUR AIM

We focus on bringing a much-needed level of efficiency and quality standards in the way we service our clients, thus building lasting partnerships-based quality, innovation, and commitment to abide by our deeply rooted core values.

OUR VISION

We are a truly professional group of individuals, striving hard to maintain and improve the quality of execution of our services. Our people constituting our team are our key assets.

OUR MISSION

Lambda Research Group strives to become internationally renowned for providing meetings of outstanding scientific quality, bringing together smaller interest groups to create informal and workshop style interactions, bridging a gap in the scientific conference community.

UNIQUE FEATURES SCHOLARS CONFERENCES

“DISCOVER THE POWER OF NETWORKING”

Pursue Innovations

We work on pursuing the spread of new knowledge to the students researchers, Scientists, academicians, research laboratories by sharing a common platform. This will facilitate the technological advancements that transform the globe.

01

Real Networking

Focus on professional aspect of networking which will further boosts the professional confidence, leads to the exchange of ideas, helps you meet people at all professional levels, exchange of ideas. This will nurture and create more visibility for different fields of budding researchers in their career path.

02

Explore the Knowledge

Present, share an explore the knowledge and/or completely different areas of study. We provide ways to discuss with the new faces one to one about their research they are working on which will further enhance on their own work. Presenting makes the presenter more confident and new perspectives towards the project in new doorways.

03

Transform the Science

Discussing on latest research with worldwide speakers and delegates from various fields will bring the most gradual and progressive developments in transforming the science in the field of medical, clinical, pharma and engineering.
