ABOUT CATCHEM 2025

A background image showing various pieces of laboratory glassware. On the left, a beaker contains a yellow liquid. In the center, a test tube is held in a blue rack, containing a blue liquid with bubbles. To its right is a conical flask with a purple liquid. On the far right, a round-bottom flask contains a red liquid. Wisps of white smoke or steam are rising from the glassware against a dark background.

“Stretching the Horizons of Expertise in Catalysis and Chemical Engineering”

CATCHEM 2025 welcomes attendees, presenters, and exhibitors from all over the world! We are delighted to announce the upcoming "**6th Edition International Conference on Catalysis and Chemical Engineering**" (**CATCHEM 2025**) scheduled at **Amsterdam, Netherlands** slated during **March 19-20, 2025**.

CATCHEM 2025 has become a regular gathering point for academic and industrial experts around the world. It therefore became a platform to talk about key catalytic and chemical engineering concerns. As one of the premier global gatherings in the field, this event will bring together leading researchers, academics, industry experts, and students from around the world. It offers a unique platform to explore the latest breakthroughs, exchange knowledge, and discuss emerging trends that are shaping the future of these dynamic disciplines.

Renowned scientists, researchers, and industry experts will grace CATCHEM 2025 as Keynote speakers and session presenters, sharing their insights, discoveries, and visions for the future of chemistry. Their collective expertise will provide attendees with a unique opportunity to stay abreast of the latest developments in the field.

Key benefits of CATCHEM 2025:

- Knowledge Exchange
- Networking Opportunities
- Professional Development
- Publication Opportunities
- Promotion of Interdisciplinary Collaboration
- Presentation of Research Findings
- Inspiration

THEMES AND TOPICS

- Catalysis
- Quantum Chemistry
- Catalysis and Zeolites
- Enzyme catalysis
- Catalytic Materials
- Environmental Catalysis
- Catalysis in oil and gas
- Electrolysis and Corrosion
- Organometallics Chemistry
- Organometallics, Organocatalysis and Bioinorganic Chemistry
- Photocatalysis
- Fluid Mechanics
- Green Chemistry
- Chemical Engineering
- Industrial Catalysis
- Catalytic antibodies
- Tandem Catalysis
- Material Sciences
- Catalysis for Chemical Synthesis
- Surface Chemistry
- Heterogeneous Catalysis
- Electrocatalysis
- Industrial Catalysis and Process Engineering
- Biocatalysis and Biotransformation
- Catalysis for Energy
- Catalysis for Biorefineries

***ALL RELEVANT PAPERS FALL UNDER THE THEME AND SCOPE OF THE CONFERENCE
ARE ACCEPTED**

Meeting Agenda

KEY FACTS

March 19, 2025 | Day 01

- 09:00-09:15 OPENING CEREMONY
- 09:15-10:45 KEYNOTE PRESENTATIONS
- 10:45-11:00 REFRESHMENTS BREAK
- 11:00-13:00 KEYNOTE PRESENTATIONS
- 13:00-13:45 NETWORKING LUNCH
- 13:45-15:40 SPEAKER SESSION
- 15:40-16:00 REFRESHMENTS BREAK
- 16:00-17:45 SPEAKER SESSION
- 17:45-18:00 PANNEL DISCUSSION

HOURS OF NETWORKING EVENTS

B2B Meetings

Worldclass Exhibitions

CATCHEM 2025

“The main aim of catalysis is to increase the rate of chemical reactions by providing an alternative reaction pathway with lower activation energy, thereby accelerating the conversion of reactants into products.”

Sponsorship Opportunities:

- Reach your target market with exclusive packages
- Promote brand recognition through high visibility
- Communicate directly with influential decision makers
- Provide solutions to technology challenges Source new products
- Leverage these benefits to achieve returns on your marketing dollars
- *****Reach a High Qualified Target Audience with this Strategic Opportunity!

Event Highlights:

- 25+ Interactive Sessions
- 5+ Workshops
- 30+ Hours of Networking Events
- 15+ Keynote Speakers
- Participants from Industry & Academia (50:50)
- 50+ Innovative Featured Speakers
- B2B Meetings
- World-class Exhibitions

About SCHOLARS CONFERENCES

“Accelerating the Cutting-Edge Scientific Research into Success by Bringing People Together”

Who We Are

Scholars Conferences is a global leader in producing high quality Conferences, Meetings, Workshops, Symposia and, Webinars in all major fields of Pharma, Healthcare, Science, Technology and Medicine.

Scholars Conferences endeavors to disseminate the scientific knowledge and research through its Scientific Conferences and Meetings. Scholars Conferences is currently organizing International Conferences, Meetings, Workshops, Symposia and, Webinars with a main theme of “Accelerating the Cutting-Edge Scientific Research into Success by Bringing People Together”.

WHY CHOOSE US?

Why does a Scholars Conferences stand out from other scientific meetings? Our meetings attract an exclusive number of audience who have a narrow concentration within a specialized field. We create a platform for informal, workshop style forums delivering a more intense scientific experience unlike other larger style conferences.

OUR AIM

We focus on bringing a much-needed level of efficiency and quality standards in the way we service our clients, thus building lasting partnerships-based quality, innovation, and commitment to abide by our deeply rooted core values.

OUR VISION

We are a truly professional group of individuals, striving hard to maintain and improve the quality of execution of our services. Our people constituting our team are our key assets.

OUR MISSION

Scholars Conferences strives to become internationally renowned for providing meetings of outstanding scientific quality, bringing together smaller interest groups to create informal and workshop style interactions, bridging a gap in the scientific conference community.

UNIQUE FEATURES SCHOLARS CONFERENCES

“DISCOVER THE POWER OF NETWORKING”

Pursue Innovations

We work on pursuing the spread of new knowledge to the students researchers, Scientists, academicians, research laboratories by sharing a common platform. This will facilitate the technological advancements that transform the globe.

01

Real Networking

Focus on professional aspect of networking which will further boosts the professional confidence, leads to the exchange of ideas, helps you meet people at all professional levels, exchange of ideas. This will nurture and create more visibility for different fields of budding researchers in their career path.

02

Explore the Knowledge

Present, share an explore the knowledge and/or completely different areas of study. We provide ways to discuss with the new faces one to one about their research they are working on which will further enhance on their own work. Presenting makes the presenter more confident and new perspectives towards the project in new doorways.

03

Transform the Science

Discussing on latest research with worldwide speakers and delegates from various fields will bring the most gradual and progressive developments in transforming the science in the field of medical, clinical, pharma and engineering.
