

About Conference

It is our great honor and pleasure to invite everyone to join with a contribution to the 3rd Edition of World Congress on Gynecology, Obstetrics & Women's Health (Gynecology Conference 2024) during October 23-25, 2023 at Singapore. The Conference will include Keynote speeches and Invited speeches which will be given by Distinguished Scholars and Experts from academic institutions and industry, and oral presentation and poster presentations by young junior participants.

Devoted to the rapid development in Women's Health, the conference will bring together distinguished experts, researchers, scientist, scholars, and young students from different cultures and different countries, providing them with the opportunity to report, share, and discuss scientific questions, achievements, in these fields.

Glimpses of Previous Edition Conferences

GYNECOLOGY CONFERENCE

Testimonials

Dear Elena! Thanks for your support and excellent organization of this event!

- **Tetyana Holovko**, Obstetrician Gynecologist, Master Degree in Obstetrics and Gynecology, Italy

It was a pleasure to participate in such an amazing conference and to attend the lectures of world known speakers. I have presented the e-poster about the audit conducted in QAH Portsmouth NHS Trust UK ,and it was well organised teamwork along with the moderator and other members. Thanks to all the organisers, and I am eager to attend again in the future!

- **Leyla Mahmudova**, Queen Alexandra Hospital Portsmouth NHS Trust, United Kingdom

The conference provided an excellent platform to understand the biomedical and public health research going on in various parts of the world in the field of women's health. The presence of experts from various parts of the world marks the relevance of the topic. I look forward to associating with them in the future.

- **Jayalakshmi Rajeev**, Central University of Kerala. India

Gynecology Conference 2024

It was amazing conference and very productive highly organised and they are so helpful and responsive.

- **Reda Harby Marzouk Mithany**, Kingston Hospital, United Kingdom
