

9TH EDITION

WORLD HEART CONGRESS

Theme: "Heartbeat of Change: Inspiring
Solutions for Global Cardiac Health"

MELBOURNE, AUSTRALIA
05-07 NOV 2025

**ABOUT
WHC 2025**

Heartbeat of Change: Inspiring Solutions for Global Cardiac Health

After the outstanding success of **Heart Congress 2024**, Scholars Conferences is thrilled to announce the 9th World Heart Congress (WHC 2025), taking place from **November 05-07, 2025**, in the picturesque city of **Melbourne, Australia**.

WHC 2025 will feature a rich program of **keynote lectures, panel discussions, and interactive sessions**, guided by leading figures in the field of **cardiology**. This conference provides an excellent opportunity to delve into the latest innovations, share research, and engage in fruitful networking with professionals from across the globe.

This year's theme, "**Heartbeat of Change: Inspiring Solutions for Global Cardiac Health**," will drive discussions on critical challenges and future directions in **cardiac care**. Attendees can expect to leave inspired, with new knowledge and professional connections that will propel their careers forward.

Whether you're an academic, clinician, or industry expert, **WHC 2025** is designed to meet your needs, offering both **educational and networking opportunities**. Secure your place today by taking advantage of our **early bird registration** and ensure you don't miss out on this impactful event.

We look forward to welcoming you to **Melbourne** for a truly inspiring and career-defining experience at **WHC 2025!**

About SCHOLARS CONFERENCES

“Accelerating the Cutting-Edge Scientific Research into Success by Bringing People Together”

Who We Are

Scholars Conferences is a global leader in producing high quality Conferences, Meetings, Workshops, Symposia and, Webinars in all major fields of Pharma, Healthcare, Science, Technology and Medicine.

Scholars Conferences endeavors to disseminate the scientific knowledge and research through its Scientific Conferences and Meetings. Scholars Conferences is currently organizing International Conferences, Meetings, Workshops, Symposia and, Webinars with a main theme of “Accelerating the Cutting-Edge Scientific Research into Success by Bringing People Together”.

WHY CHOOSE US?

Why does a Scholars Conferences stand out from other scientific meetings? Our meetings attract an exclusive number of audience who have a narrow concentration within a specialized field. We create a platform for informal, workshop style forums delivering a more intense scientific experience unlike other larger style conferences.

OUR AIM

A red hexagonal icon containing a white envelope symbol, representing communication or goals.

We focus on bringing a much-needed level of efficiency and quality standards in the way we service our clients, thus building lasting partnerships-based quality, innovation, and commitment to abide by our deeply rooted core values.

OUR VISION

A red hexagonal icon containing a white lightbulb symbol with rays emanating from it, representing ideas and vision.

We are a truly professional group of individuals, striving hard to maintain and improve the quality of execution of our services. Our people constituting our team are our key assets.

OUR MISSION

A red hexagonal icon containing a white target symbol with an arrow hitting the bullseye, representing focus and mission.

Scholars Conferences strives to become internationally renowned for providing meetings of outstanding scientific quality, bringing together smaller interest groups to create informal and workshop style interactions, bridging a gap in the scientific conference community.

UNIQUE FEATURES SCHOLARS CONFERENCES

“DISCOVER THE POWER OF NETWORKING”

Pursue Innovations

We work on pursuing the spread of new knowledge to the students researchers, Scientists, academicians, research laboratories by sharing a common platform. This will facilitate the technological advancements that transform the globe.

01

Real Networking

Focus on professional aspect of networking which will further boosts the professional confidence, leads to the exchange of ideas, helps you meet people at all professional levels, exchange of ideas. This will nurture and create more visibility for different fields of budding researchers in their career path.

02

Explore the Knowledge

Present, share an explore the knowledge and/or completely different areas of study. We provide ways to discuss with the new faces one to one about their research they are working on which will further enhance on their own work. Presenting makes the presenter more confident and new perspectives towards the project in new doorways.

03

Transform the Science

Discussing on latest research with worldwide speakers and delegates from various fields will bring the most gradual and progressive developments in transforming the science in the field of medical, clinical, pharma and engineering.
