ABOUT  
WHC 2025

# Heartbeat of Change: Inspiring Solutions for Global Cardiac Health

After the outstanding success of **Heart Congress 2024**, Scholars Conferences is thrilled to announce the 9th World Heart Congress (WHC 2025), taking place from **November 17-18, 2025**, in the picturesque city of **Dubai, UAE**.

**WHC 2025** will feature a rich program of **keynote lectures, panel discussions, and interactive sessions**, guided by leading figures in the field of **cardiology**. This conference provides an excellent opportunity to delve into the latest innovations, share research, and engage in fruitful networking with professionals from across the globe.

This year's theme, "**Heartbeat of Change: Inspiring Solutions for Global Cardiac Health**," will drive discussions on critical challenges and future directions in **cardiac care**. Attendees can expect to leave inspired, with new knowledge and professional connections that will propel their careers forward.

Whether you're an academic, clinician, or industry expert, **WHC 2025** is designed to meet your needs, offering both **educational and networking opportunities**. Secure your place today by taking advantage of our **early bird registration** and ensure you don't miss out on this impactful event.

We look forward to welcoming you to **Dubai, UAE** for a truly inspiring and career-defining experience at **WHC 2025**!

# WELCOME MESSAGE

## Armenian Cardiologists Association

Dear Colleagues and Friends,

On behalf of the Armenian Cardiologists Association, it is my great honor to welcome you to the 9th Edition of the World Heart Congress in Dubai. This year's theme, "Heartbeat of Change: Inspiring Solutions for Global Cardiac Health," resonates deeply with our shared mission to advance cardiovascular care worldwide.

Armenia, with its growing expertise in interventional cardiology and innovative STEMI programs, stands committed to collaborating with global partners to address the evolving challenges in heart health. Our participation in this congress reflects this dedication, and we look forward to contributing insights from our unique regional experiences.

To our fellow clinicians, researchers, and industry leaders: Your pioneering work inspires progress across borders. May this forum spark transformative discussions that translate into tangible improvements for patients everywhere.

A special thank you to the organizers for fostering this vital platform. Let us seize this opportunity to strengthen partnerships, share knowledge, and collectively shape the future of cardiology.

Welcome to WHC 2025!

# WELCOME MESSAGE

Esteemed Participants of the 9th World Heart Congress (WHC 2025)

On behalf of the entire organizing team, I extend the warmest welcome to this prestigious congress that brings together brilliant minds passionate about cardiovascular health. It is an honor to welcome you to this academic and scientific meeting place.

The main objective of WHC 2025 is to foster a dynamic and collaborative environment where we can share the latest scientific advances and the most innovative research in the field of cardiology. We have assembled an exceptional panel of internationally renowned academic speakers, who will delight us with their knowledge and perspectives on the challenges and opportunities presented by our discipline.

During these days, we will have the opportunity to immerse ourselves in cutting-edge presentations showcasing major scientific advances, from new diagnostic and treatment strategies to cardiovascular prevention and rehabilitation. This congress is an invaluable platform for the exchange of ideas, the establishment of new collaborations, and inspiration to continue driving excellence in cardiac care.

I cordially invite you to actively participate in all sessions, interact with our speakers and colleagues, and make the most of this enriching experience. We firmly believe that the synergy of our knowledge and experiences will allow us to achieve a deeper understanding of cardiovascular diseases and, ultimately, improve the lives of our patients.

We appreciate your presence and your valuable contribution to the 9th World Heart Congress. We hope this congress will be a resounding success and that each of you will take away new ideas, valuable connections, and the motivation to continue advancing in the exciting field of cardiovascular health.

Welcome to WHC 2025!

**Jose Herrera**

# THEMES AND TOPICS

- Cardiac Diseases and Conditions
- Cardiovascular Diseases
- Heart Failure & Cardiac Arrest
- Myocardial Infarction
- Arrhythmias
- Hypertension
- Ischemic Heart Disease
- Coronary Artery Disease
- Valvular Heart Diseases
- Congenital Heart Diseases
- Atrial Fibrillation
- Cardiac Procedures and Treatment
- Cardiac Surgeries
- Interventional Cardiology
- Heart Transplantation
- Pacemakers and Defibrillators
- Minimally Invasive Cardiac Surgery
- Percutaneous Coronary Intervention (PCI)
- Electrophysiology & Catheter Ablation
- Vascular Surgery
- Cardiopulmonary Resuscitation (CPR)
- Cardiology Specializations
- Pediatric Cardiology
- Cardiac Nursing
- Preventive Cardiology
- Sports Cardiology
- Geriatric Cardiology
- Women's Heart Health
- Cardio-Oncology
- Cardiac Rehabilitation
- Nutrition and Lifestyle in Cardiology
- Obesity and Cardiovascular Risk

**\*ALL RELEVANT PAPERS FALL UNDER THE THEME AND SCOPE OF  
THE CONFERENCE ARE ACCEPTED**

# About SCHOLARS CONFERENCES

"Accelerating the Cutting-Edge Scientific Research into Success by Bringing People Together"

## Who We Are

Scholars Conferences is a global leader in producing high quality Conferences, Meetings, Workshops, Symposia and, Webinars in all major fields of Pharma, Healthcare, Science, Technology and Medicine.

Scholars Conferences endeavors to disseminate the scientific knowledge and research through its Scientific Conferences and Meetings. Scholars Conferences is currently organizing International Conferences, Meetings, Workshops, Symposia and, Webinars with a main theme of "Accelerating the Cutting-Edge Scientific Research into Success by Bringing People Together".

## WHY CHOOSE US?

Why does a Scholars Conferences stand out from other scientific meetings? Our meetings attract an exclusive number of audience who have a narrow concentration within a specialized field. We create a platform for informal, workshop style forums delivering a more intense scientific experience unlike other larger style conferences.

### OUR AIM

We focus on bringing a much-needed level of efficiency and quality standards in the way we service our clients, thus building lasting partnerships-based quality, innovation, and commitment to abide by our deeply rooted core values.

### OUR VISION

We are a truly professional group of individuals, striving hard to maintain and improve the quality of execution of our services. Our people constituting our team are our key assets.

### OUR MISSION

Scholars Conferences strives to become internationally renowned for providing meetings of outstanding scientific quality, bringing together smaller interest groups to create informal and workshop style interactions, bridging a gap in the scientific conference community.

# UNIQUE FEATURES SCHOLARS CONFERENCES

“DISCOVER THE POWER OF NETWORKING”

## Pursue Innovations

We work on pursuing the spread of new knowledge to the students researchers, Scientists, academicians, research laboratories by sharing a common platform. This will facilitate the technological advancements that transform the globe.

01

## Real Networking

Focus on professional aspect of networking which will further boosts the professional confidence, leads to the exchange of ideas, helps you meet people at all professional levels, exchange of ideas. This will nurture and create more visibility for different fields of budding researchers in their career path.

02

## Explore the Knowledge

Present, share an explore the knowledge and/or completely different areas of study. We provide ways to discuss with the new faces one to one about their research they are working on which will further enhance on their own work. Presenting makes the presenter more confident and new perspectives towards the project in new doorways.

03

## Transform the Science

Discussing on latest research with worldwide speakers and delegates from various fields will bring the most gradual and progressive developments in transforming the science in the field of medical, clinical, pharma and engineering.
