ABOUT CONFERENCE

**THEME: EMPOWERED TO LEAD, INSPIRED TO HEAL: THE NEXT ERA OF
NURSING EXCELLENCE**

Following the great success of WNHS 2025, Scholars Conferences proudly invites you to attend the 9th Edition of the World Nursing and Healthcare Summit (WNHS 2026), taking place on November 23-24, 2026, in Bangkok, Thailand.

WNHS 2026 will feature engaging presentations and insightful discussions, including keynote sessions, panel dialogues, and hands-on workshops led by distinguished nursing and healthcare professionals from around the world. The conference provides an excellent platform for networking, collaboration, and knowledge exchange, with participation anticipated from over 100 global attendees.

With the theme "Empowered to Lead, Inspired to Heal: The Next Era of Nursing

Excellence 2026", WNHS 2026 aims to spotlight leadership, innovation, and excellence in nursing practice—fostering continuous learning, professional growth, and global collaboration.

This summit presents an exceptional opportunity for delegates from universities, healthcare institutions, research centers, and industries to engage with world-class experts and advance the future of nursing and healthcare.

About SCHOLARS CONFERENCES

"Accelerating the Cutting-Edge Scientific Research into Success by Bringing People Together"

Who We Are

Scholars Conferences is a global leader in producing high quality Conferences, Meetings, Workshops, Symposia and, Webinars in all major fields of Pharma, Healthcare, Science, Technology and Medicine.

Scholars Conferences endeavors to disseminate the scientific knowledge and research through its Scientific Conferences and Meetings. Scholars Conferences is currently organizing International Conferences, Meetings, Workshops, Symposia and, Webinars with a main theme of "Accelerating the Cutting-Edge Scientific Research into Success by Bringing People Together".

WHY CHOOSE US?

Why does a Scholars Conferences stand out from other scientific meetings? Our meetings attract an exclusive number of audience who have a narrow concentration within a specialized field. We create a platform for informal, workshop style forums delivering a more intense scientific experience unlike other larger style conferences.

OUR AIM

A red hexagonal icon containing a white paper plane, symbolizing speed and direction.

We focus on bringing a much-needed level of efficiency and quality standards in the way we service our clients, thus building lasting partnerships-based quality, innovation, and commitment to abide by our deeply rooted core values.

OUR VISION

A red hexagonal icon containing a white lightbulb with gears inside, symbolizing ideas and innovation.

We are a truly professional group of individuals, striving hard to maintain and improve the quality of execution of our services. Our people constituting our team are our key assets.

OUR MISSION

A red hexagonal icon containing a white target with an arrow in the center, symbolizing focus and achievement.

Lambda Research Group strives to become internationally renowned for providing meetings of outstanding scientific quality, bringing together smaller interest groups to create informal and workshop style interactions, bridging a gap in the scientific conference community.

UNIQUE FEATURES SCHOLARS CONFERENCES

“DISCOVER THE POWER OF NETWORKING”

Pursue Innovations

We work on pursuing the spread of new knowledge to the students researchers, Scientists, academicians, research laboratories by sharing a common platform. This will facilitate the technological advancements that transform the globe.

Real Networking

Focus on professional aspect of networking which will further boosts the professional confidence, leads to the exchange of ideas, helps you meet people at all professional levels, exchange of ideas. This will nurture and create more visibility for different fields of budding researchers in their career path.

Explore the Knowledge

Present, share and explore the knowledge and/or completely different areas of study. We provide ways to discuss with the new faces one to one about their research they are working on which will further enhance on their own work. Presenting makes the presenter more confident and new perspectives towards the project in new doorways.

Transform the Science

Discussing on latest research with worldwide speakers and delegates from various fields will bring the most gradual and progressive developments in transforming the science in the field of medical, clinical, pharma and engineering.
