ABOUT PHYSICS CONFERENCE 2025

"Frontiers of Interdisciplinary Physics: From Physics to Quantum Physics"

We are delighted to offer a heartfelt welcome to the **International Conference on** "PHYSICS AND QUANTUM PHYSICS", scheduled to take place on March 19-20, 2025, in the vibrant city of Amsterdam, Netherlands.

This congress serves as a nexus for bridging geographical boundaries, fostering collaboration, and sharing diverse perspectives. As we convene in Amsterdam, let us collectively address the necessity of discussing pivotal physics topics such as quantum computing, renewable energy advancements, and the intersection of physics and Quantum Physics. These discussions are not only paramount for scientific progress but also integral to addressing the pressing challenges of our time

Your presence and contributions are invaluable as we collectively strive for excellence in the realms of advanced physics and Quantum Physics.

Join us to network with like-minded peers, be inspired by innovations from large and small businesses and take the information you need back to your team.

Key benefits of Physics Conference 2025;

- Networking: Opportunities to connect with diverse professionals.
- Knowledge: Access to insights and skills through workshops and panels.
- **Empowerment**: Building confidence and solidarity among attendees.
- Career Development: Resources for advancement and leadership skills.
- Visibility: Platforms to showcase expertise and gain recognition.
- Advocacy: Addressing pressing issues and driving change.
- **Community**: Establishing supportive networks and collaborations.

THEMES AND TOPICS

- Physics
- Astrophysics
- Quantum Technology and Measurement
- Quantum Thermodynamics
- Optical Physics
- Quantum Science and Technology
- Chemical Physics
- Nuclear Medicine Physics
- Molecular Physics
- Electronics
- Advanced Digital Design
- Engineering Data Mining
- Production Engineering
- Operations Research and Optimization Techniques
- Systems Modelling & Simulation
- Advanced Bio Manufacturing
- Applied Physics
- Atomic Physics
- Quantum Sensors
- Quantum Artificial Intelligence
- Engineering Physics
- Optoelectronics
- Heavy-ion-Physics
- Superconductivity and Applications
- Quantum Physics
- Nuclear Astrophysics
- Supply Chain Management
- Manufacturing Technology
- Mechatronics, Robotics & Telecommunications
- Lean Manufacturing (Six Sigma)
- Computer-aided Manufacturing

*ALL RELEVANT PAPERS FALL UNDER THE THEME AND SCOPE OF THE CONFERENCE ARE ACCEPTED

Meeting Agenda

KEY FACTS

Sponsorship Opportunities:

- Reach your target market with exclusive packages
- Promote brand recognition through high visibility
- Communicate directly with influential decision makers
- Provide solutions to technology challenges Source new products
- Leverage these benefits to achieve returns on your <u>marketing</u> dollars
- *****Reach a High Qualified Target Audience with this Strategic Opportunity!

Event Highlights

- 25+ Interactive Sessions
- 5+ Workshops
- 30+ Hours of Networking Events
- 15+ Keynote Speakers
- Participants from Industry & Academia (50,50)
- 50+ Innovative Featured Speakers
- B2B Meetings
- World-class Exhibitions

About SCHOLARS CONFERENCES

"Accelerating the Cutting-Edge Scientific Research into Success by Bringing People Together"

Who We Are

Scholars Conferences is a global leader in producing higMeedingity CoMferteshceps, Symposia and, Webinars in all major fields of Pharma,

Healthcare, Science, Technology and Medicine. Scholars

Conferences endeavors to disseminate the scientific knowledge and research through its Scientific Conferences and Meetings. Scholars Conferences is currently organizing Conferences, International Meetings. Workshops, Symposia and, Webinars with a main theme of "Accelerating the Cutting-Edge Scientific Research into Success by Bringing People Together".

WHY CHOOSE US?

Why does a Scholars Conferences stand out from other scientific meetings? Our meetings attract an exclusive number of **aadiew**ceoncentrationswitchin a specialized field. We create a platform for informal, workshop style forums delivering a more intense scientific experience unlike other larger style conferences.

OUR AIM

We focus on bringing a much-needed level of efficiency and quality standards in the way we service our clients, thus building lasting partnerships-based quality, innovation, and commitment to abide by our deeply rooted core values.

OUR VISION

We are a truly professional group of individuals, striving hard to maintain and improve the quality of execution of our services. Our people constituting our team are our key assets.

OUR MISSION

Lambda Research Group strives to become internationally renowned for providing meetings of outstanding scientific quality, bringing together smaller interest groups to create informal and workshop style interactions, bridging a gap in the scientific conference community.

UNIQUE FEATURES SCHOLARS CONFERENCES

"DISCOVER THE POWER OF NETWORKING"

Pursue Innovations

We work on pursuing the spread of new knowledge to the students researchers, Scientists, academicians, research laboratories by sharing a common platform. This will facilitate the technological advancements that transform the globe.

Real Networking

Focus on professional aspect of networking which will further boosts the professional confidence, leads to the exchange of ideas, helps you meet people at all professional levels, exchange of ideas. This will nurture and create more visibility for different fields of budding researchers in their career path.

Explore the Knowledge

Present, share an explore the knowledge and/or completely different areas of study. We provide ways to discuss with the new faces one to one about their research they are working on which will further enhance on their own work. Presenting makes the presenter more confident and new perspectives towards the project in new doorways.

Transform the Science

Discussing on latest research with worldwide speakers and delegates from various fields will bring the most gradual and progressive developments in transforming the science in the field of medical, clinical, pharma and engineering.
